

meet the **MULS**

PANAMA

their story

Juanpi is from Argentina and Celia is from Panama. They met at the Word of Life (WOL) Bible Institute in Argentina. They married in 2006 and immediately began working with WOL Panama. In 2008, they moved to the northwest province of Chiriqui, near the Costa Rican border, and launched a WOL ministry there. After nine years of living in Chiriqui, they moved back to Panama City in order to help the WOL staff with their children's program. They still minister in Chiriqui, but now from a distance.

During the school year, Juanpi and Celia lead Bible Clubs and minister through evangelistic drama productions. The goal of the Bible Clubs is to disciple the youth to be strong, biblically-sound leaders. Juanpi and Celia also visit schools in the area, presenting the Gospel in the elementary schools through puppets and in the secondary schools through dramas. They are presently members of a Chinese church, made up exclusively of young people, which allows them even more opportunities to minister to the youth of Panama.

During Panama's summer season, January through March, the Muls drive dozens of children and teenagers from their previous church in Chiriqui six hours to the WOL camp facility so they can attend a week of camp. During camp, Juanpi and Celia lead all of the programming, including the games and competitions.

The Muls have a beautiful daughter, Emma, who was born in March 2016.

recent prayer requests

The Muls are very good thanks to the Lord. They have been in home now for right days, making discipleships through videocalls and having meetings through Zoom. Panama is in emergency, but they feel exactly how Paul said in 2 Corinthians 4:8, "We are hard pressed on every side, but not crushed; perplexed, but not in despair."

Pray for Panama as a sense of panic is setting in because of the Coronavirus. Schools are closed until April 7.

The Muls praise God for their daughter, Emma's, 4th birthday.

They thank God that many young people from the Alcance church are growing in their faith and 24 if them were baptized recently.

Juanpi and Celia are at about 85% of their support and need \$600 a month to reach full support.

Pray for the Muls, and the rest of the WOL team, as they contact all those who made decisions for Christ during camp in order to disciple them and help them grow in their faith.

Pray for Celia's health. She has had a lump in her armpit and, after some initial tests, the doctors want to take a biopsy of her breast. Please pray for peace in the waiting period and that nothing serious will turn up.

Pray for Juanpi and Celia and Emma as they begin to homeschool her next month. Emma just turned 4.
