

THE BIBLE CHAPEL - RECOMMENDED COUNSELOR

MISTY MANCINI-SEYBERT | 724-941-5363

Having 16 years of experience within the helping profession of Counseling, Misty is a Licensed Professional Counselor and a Licensed Mental Health Counselor. She gained her Masters of Counseling with AGTS (2002) and currently has 55 credit hours complete towards her PhD in Psychology, Capella University (CACREP accredited). She specializes in children, teens, college students, families and couples on a variety of issues, such as but not limited to relationships, anxiety, identity issues, crisis situations, grief, self-harm (cutting), self-esteem, women's issues, parenting, and daily life challenges. For the last 15 years, Misty has also taught Psychology and Counseling on an undergraduate level.

Within the field of Counseling and Mental Health, Misty believes in and practices full healing. (Healing that takes place on four levels: emotional, mental, spiritual, and physical which leads to personal growth, improvement, and life change.) The client does have to be responsible for his/her healing by having willingness and desire to change by taking the proper steps to live a balanced and healthy lifestyle.

Misty's office is located at Cranberry Psychological Associates in McMurray. Insurances are accepted.
