

Parking at the South Hills Campus

At the South Hills Campus, each parking lot is identified with a banner, and each entrance with a number. Choose a parking lot and entrance that works for you or your family.

If you're visiting alone or with other adults

Park in Lot 4 or 5. Guest spots and special assistance spots are available (but tend to fill quickly). Enter through Door 1 or 2, which are closest to our Main Lobby and Worship Center.

If you're visiting with older children (grades 5 - 12)

Park in Lot 4 or 5, and enter through Door 1 or 2. These are on the same floor as our Senior High Ministry, and one floor above our Junior High (grades 7-8) and Chapel 56 (grades 5-6) Ministries.

If you're visiting with younger children (birth - grade 4)

Park in Lot 2, 3, or 6. Enter through Door 6 or 7. Both of these doors are labeled "Children's Entrance," and will bring you directly into the Children's Check-In area.

If you're visiting with children who have special needs

Park in Lot 7, which offers special assistance spaces, or Lot 6. Enter through Door 9. This leads you directly into our Special Needs Ministry, which has its own check-in area.

Additional Parking

You'll find more parking in Lot 8 on the ground level of our building. Enter through Door 14, which will lead you directly to our escalators.
