

# meet ROBIN SWEITZER

## KENYA

## her story

Robin was raised in New Castle, PA and has attended The Bible Chapel since 2008. The Lord had been drawing Robin into ministry with orphans and vulnerable children for many years. This passion was kindled during a college internship at an orphanage in Romania in 1997. Robin has degrees in Bible and Missions and a Master's degree in Applied Developmental Psychology. She was a leader in The Bible Chapel's Foster Care and Adoption Ministry and worked full-time with young children with developmental delays. She also traveled internationally on many occasions to support the work of children's ministries in various countries.

Robin felt the Lord calling her to step out and use her gifts in full-time ministry abroad. In January 2017, Robin committed to a two year missionary assignment in Kenya with Kids Alive International, a missions agency dedicated to rescuing orphaned and abandoned children in the name of Christ. Her role is to teach the houseparents and caregivers at KAI children's homes best practices in childcare. She is also mentoring and discipling the national staff to go deeper in their relationships with Christ. Robin's goal is to offer hope and minister in the name of Jesus Christ to the children of Kenya and the workers at KAI children's homes.

## prayer requests

Robin is thankful that she had safe travels to Zambia and, while there, was able to take a little time off and enjoy Victoria Falls. It was so beautiful!

Praise God that prayers were answered and that Robin's pastor in Nairobi received his work visa!

Robin just finished training the children's home staff at two different sites in central and western Kenya. The topics were Discipline and Behavior Management. Pray for the staff as they implement new techniques and pray that they will produce good fruit in the lives of the children and staff.

Please pray for the training Robin is conducting with all the Zambian staff this week and next. Pray they will be receptive and be willing to implement changes to improve the care for the children. Pray the Holy Spirit will speak through Robin.

Pray for M\_\_\_\_\_, who had eye surgery a few weeks ago. The doctor discovered she has a detached retina and will need another surgery.

Pray for Robin as she finishes her commitment in Kenya and heads home in January. Ask God to make it very clear to her what His next assignment is and that she will be joyfully obedient to His call.

Pray for placement of two or three orphans aging out of the children's homes that have mental disabilities. They have no where to go. Pray that Kids Alive will find safe placements for them in adult group homes or private foster homes.
